*Document subtype is NOT required. The default is None. Use the drop-down arrow to view selections. If you would like to request an additional subtype be added, contact your liaison librarian.*
Publication Date

If you choose to enter a date, the year is required but all other fields are optional. For conference presentations, please enter the date of the conference. If uploading a forthcoming paper, please enter the projected publication date.

Drop-down arrows provide lists of seasons (winter, spring, summer, fall), month, and day.

Publication Source

For articles, please enter the journal title. For contributions to books, please enter the book title.

For book chapters, enter the title of the book. For articles enter the name of the journal.

Volume

Include for journal articles if available.

Issue

Include for journal articles if available.

Inclusive pages

Include for journal articles and book chapters.
Publisher

Not necessary to provide for journal articles

Place of Publication

Not necessary to provide for journal articles

Edition

Include as appropriate

ISBN/ISSN

Not required
Many publishers will allow you to upload a copy of your article after an embargo period (e.g., 6, 12, 18 months). Enter the date when the embargo ends, upload your content, and it will not show until that date is reached.

Use the drop-down arrow to view selections.
Abstract

Only plain text is supported for the abstract (fonts and text style changes are not preserved). If you would like to include bold or italic text in your abstract, HTML tags may be used.

Find out how to include HTML tags.

Add descriptive keywords that are not in the title. This will increase identification through Google and other Internet searches.

What is this?

The format of the abstract is:
- one paragraph
- multiple paragraphs, as indicated by carriage returns
- one paragraph
- multiple paragraphs, as indicated by blank lines
- paragraphs formatted with HTML tags

Keywords

Please separate keywords/keyword phrases with commas.

Add descriptive keywords that are not in the title. This will increase identification through Google and other Internet searches.

Recommended Citation

Opus automatically generates recommended citations for all submissions from the information given above. To override the default citation, please enter citation information here.

Enter recommended citation (optional)

You DO NOT have to fill this out. The system is programmed to format your citation in APA style which is accepted by all Deans at IPFW.

Upload File

- Upload file from your computer
- Import file from remote site
- Link out to file on remote site
If you do not have permission to upload a copy of your work, you can provide a link to the electronic version made available by the publisher. For more information consult your liaison librarian.

### Publication Status

Was this submission previously published in a journal? Bepress will automatically create an OpenURL for published articles. [Learn more about OpenURLs](#)

- [ ] Yes
- [ ] No

Answer YES to this question which will activate the library’s link to the catalog or FIND IT.

### Additional Files

Please check this if you'd like to add additional files

Use to add related files such as images, charts, video, audio, etc.
